### Principal's message

Dear parents and carers,

As I move into a different role for our Charity the CBI, I have been remembering pupils past and present alongside the life chance opportunities and collaboratively forged successes. St. Vincent's is a unique and very special place. It has been the greatest of privileges to work and serve our pupils and parents alongside committed staff. School, and the people who make it that 'St. Vincent's family' will remain in my heart and prayers always.

If you would like a copy of this newsletter in braille and/or large print, please contact the school office: [office@stvin.com](mailto:office@stvin.com). Audio versions can also be provided with notice.

Have a wonderful half-term break.

Best wishes,

Dr. J Patterson

### Young Green Briton Challenge Winners

On the 4<sup>th</sup> July Mr. McSorley, Mr. Swanston and Mrs. Buckle travelled on the train to London with pupils for the finals of The Young Green Briton Challenge for their "Literally Project" campaign to get more people out on litter picks. The day got off to a lovely start as the Avanti West Coast train manager allowed Josh Clark to assist with the announcements on the train and he did such a good job he received a round of applause from the whole train. The day went from good to great when St. Vincent's won Best Campaign at the finals. Go to our website for a full report of the day and lots of photos from the event.
