School Prospectus – parents and carers

Dear Parents and Carers,

As noted in this week's Headteachers Weekly Newsletter, please find below some introduction questions relating to St Vincent's School. No personal data will be shared, and these responses will help inform part of an infographic to add to the schools new prospectus.

If you could complete and return this before the Christmas holidays, it would be greatly appreciated.

If you have any questions, please do not hesitate to contact me in school.

Best wishes,

Mr D Swanston

Interim Headteacher
